Dear Nimdicians,

I am sure you are enjoying our lovely Canadian winter. The time is coming to warm up again on April 12th at our Fundraising Gala. I hope you can all show up at this defining event and show that you really care. Friends, it's time to give back to the community, so please come in big numbers, bring your friends and family. Believe me, you are going to have a most uplifting experience with the blessings of thousands of less fortunate. Funds raised at this event will go towards the Canadian Foundation of Physically Disabled Persons. CFPDP assists people with physical disabilities to lead fuller lives.

We have lined up a great show, superb cuisine and lots of fun. Your executives are working tirelessly to make this event a big success. Good news, we are in the process of establishing the Nimdac Foundation for charitable purposes and very soon we will be obtaining our charitable status. The temporary Foundation executives are: Dr. Asha Seth, Dr. Ranjit Rana and Dr. Vijay Sharma.

Congratulations to Dr. Bharat Kalra for an amazing job done as Secretary. We extend a warm welcome to our new General Secretary Elect Dr. Vijay Sharma. I would like to give my personal thanks to Dr. Bharat Chawla, Dr. Ranjit Rana and Dr. Mohan Parhar for all their hard work and guidance.

Please welcome our new Life Members: Dr. Vir Sennik, Dr. Shashi Devi, Dr. Naresh Sharma, Dr. Anila Seth Sharma, Dr. Shiv Sharma, Dr. Subodh Kanani and Dr. Arun Seth.

Upcoming events for 2008 include our Annual Fundraising Gala on April 12th, a Golf Tournament at Angus Glen Golf Club on July 13th and our Annual Gala and CME at Sheraton on the Falls, Niagara Falls, Ontario on October 11, 12 & 13.
